# JahtiJakt Nordic AIR-TEX suit

www.msscounrty.com

Stylish and guaranteed functionality  
The JahtiJakt Nordic AIR-TEX membrane suit is the favourite suit for hunters across Europe. The new Nordic suit has the original AIR-TEX membrane, making it waterproof, windproof and breathable. The great functionality and excellent

**The Original AIR-TEX**

When choosing a hunting suit, make sure that it has an AIR-TEX membrane. It has been laboratory tested, and approved by hunters in Europe and the United States.

A functional suit should have ventilation in trousers and jacket.

Many useful AIR-TEX pockets keep your possessions dry.

The trouser waist can be easily adjusted, the sleeves and trouser legs have easy adjustment features.

# JahtiJakt Premium Boots

Waterproof, breathable and odourless  
New techniques for waterproofing which also allows good breathability, together with the Scentech odour technology makes these the best JahtiJakt boots ever.

**AIR-TEX2**  
The new AIR-TEX2 membrane goes all the way up the shaft. Laminated to the membrane, the THERMO wadding has been constructed as a sock around the foot. This ensures maximum waterproofing and good durability.

**SCENTECH**  
The unique JahtiJakt SCENTECH™ odour blocking technology eliminates the odour creating bacteria from the human body almost completely. This prevents the animals from picking up human scent.

**The sole has an excellent four-layer structure for quality and comfort.**  
The Premium boot's top grade four layer sole structure for quality and confort. The insulated sole is flexible yet sturdy.

Price: **169.00**

**All this is included in the suit:**

1. JahtiJakt Premium boots
2. JahtiJakt thermal socks
3. JahtiJakt base socks

**Triple Waterproofing**

1. The seams of the waterproof surface leather are sealed with a fourfold special treatment.
2. The waterproof AIR-TEX2 MEMBRANE is heat-laminated inside the whole boot.
3. The protective fabric placed under the leather surface protects the AIR-TEX2 membrane.

**INCLUDED** **INCLUDED**

1. JahtiJakt Premium boots
2. JahtiJakt thermal socks Contrariable and warm socks.
3. JahtiJakt base socks Throates the sweat from your feet and keeps your feet dry.

**WOMEN SOLE**

- Women sole gives an excellent grip
- AIR-TEX2 membrane has taped seams
- Durable Contura in the shaft
- Inner sole made of antibacterial material
- Sole construction makes the boot sturdy and easy to walk
- Front lip with extra protection
- Energy sole to soften the step
